

"JUST SAY KNOW" BIBLE STUDY

A Twinkle in Your Wrinkle

This week's Bible Study is on the miraculous way God chose to use "ripened" saints. If He did it then, He can do it again!

Day 1 Read Genesis 12:1-5; 17:1-6, 15-21; 21:1-7

One of most amazing stories in the Bible is that of Abraham and Sarah. God miraculously brought life out of an old lifeless womb.

1. What did God promise Abraham?
2. How old was Abraham when he first received this promise?
3. How did both Abraham and Sarah respond to God's promise?
4. How would you respond if God told you he was going to do something miraculous in your old age?

Day 2 Read Acts 7:20-37

Moses was another late bloomer!

1. Why did Moses have to leave Egypt? How old was he?
2. How old was he when he went to speak before Pharaoh?
3. While Moses tended sheep for 40 years in Midian, do you think he ever imagined what God had planned for his future?
4. Can you imagine God using you in such a miraculous way when you are eighty? (Ephesians 3:20)

Day 3 Read Joshua 13:1-7; 23:1-11

Joshua is another person in the Bible that still had much service to do for God even when he was old.

1. What assignment did God give to Joshua when he was very old?
2. How much time had passed from Chapter 13 to 23?

Day 4 Read Luke 1:5-23, 57-66

Here is another story of God working through those who are advanced in years!

1. Why didn't Zachariah believe what the angel told him?
2. Why were the consequences for his unbelief?
3. Why do you think God delights in doing miraculous things in the lives of the elderly?

Day 5 Read Psalms 92:12-15; Isaiah 46:4; Psalm 37:25

1. What is promised to the righteous?
2. How long will God care for us according to Isaiah 46:4?
3. What two things has the elderly psalmist never seen?
4. Take time to say a prayer acknowledging that nothing is impossible with God and give Him permission to work in and through you all of the years of your life!
